Introducing our brand new family signing class for summer 2017! Join Mrs. Barbara Leonard for four weeks of fun and learning. Barbara has been immersed in sign language for over 40 years, and her children and grandchildren are well versed, too! During our four weeks we will cover a variety of basic topics like colors, numbers, and letters. We will also dive into some other cool themes, such as pets, clothing, and emotions! We hope you bring your entire family to learn and grow, but spots will be limited so sign up early!
