**Coaches Comments**( Pat Clarke ): “ We had a great team effort in a very strong field at Bath. Six of the teams in the field were at last years division 2 or division 3 state meets.” Senior Captain Caroline Hirth had an outstanding race, running a PR of 19:40 to place fourth and lead the Bulldog effort. Carolines time was a 22 second improvement over her previous best time. Junior Allison Hughes ran season best race to place 6<sup>th</sup>. Senior Captain Sydney Matusik had a PR of 20:30 to place 14<sup>th</sup>. Finally Freshman Riley Thorburn and Sophomore Morgan Kurth ran season bests to place 17<sup>th</sup> and 18<sup>th</sup> respectively.

“We ran as a team and improved our times. All of the 21 runners that ran for us today had PR,s or season best times. We continue to improve and we are getting stronger with each meet. Hopefully this trend will continue as the season progresses. “
