### Community Education Series 2018

The WCSO just announced the next installment of our community education series. This session will be facilitated/instructed by our Drug Recognition Experts (DRE) deputies and will focus on the new roadside oral swab drug testing pilot program. The event will consist of a 40 minute classroom style discussion followed by a question and answer period.

Join us on Wednesday January 17th from 6:30-8:00pm at the Learning Resource Center (LRC) located at 4135 Washtenaw Ave, Ann Arbor, MI 48108 on the campus of the Sheriff's Office main location.

Our Just 'Cause sessions are intimate discussions between the community and deputies over lunch. Our ENPACT workshops are solution focused, all day working sessions between 30 community members and 30 deputies. Our Town Hall meeting gathered over 600 residents in a discussion with community leaders. Now, our educational series will offer great detail to the six most commonly questioned aspects of law enforcement.

**\*\*A criminal charge is merely an accusation. All defendants are presumed innocent until and unless proven guilty.\*\***
