

Free Tax Prep Assistance Available

Chelsea Senior Center is partnering with AARP again this year to offer free tax preparation assistance to qualifying seniors. AARP's trained, volunteer tax preparers can help with Federal and Michigan 1040 forms and credits and amended returns. Returns will be submitted electronically and you will receive a paper copy for your records.

Call the Center to schedule your appointment: March 1, March 14, or March 21.

Be sure to bring all relevant materials with you including, but not limited to, your 2016 Federal & State Tax returns and driver's license or other government issued photo ID.
