

The Chelsea Historical Society is in the Final Stretch of Paying-Off its Museum's Mortgage

The **Chelsea Area Historical Society** (CAHS) purchased its first permanent home in 2014. As recently as two years ago the group still owed more than \$120,00 on the mortgage (then a land contract).

Thanks to the generosity of many locals and even many supporters from far away, there is just \$7,800 remaining until the society meets its 2019 Match Campaign goal.

This will mean that they will pay-off the mortgage and be 100-percent debt free.

They are not there yet and so they are putting out what they hope will be a final appeal to the community to help the historical society cross the finish line.

Please consider a donation to help ensure the long-term stability of the permanent home for Chelsea's rich history.

As a 501c3 charity, all donations will be recognized in writing for tax purposes.

Donations can be mailed to the CAHS at 128 Jackson St., Chelsea, MI 48118 or made securely on-line at their website: www.ChelseaHistory.org.

For any questions, contact them at 734-476-2010 or via e-mail to Staff@ChelseaHistory.org
