Coaches Comments(Pat Clarke): “ We had a great team effort in a very strong field at Bath.” Juniors Riley Thorburn and Natalie Davies had outstanding races with each running season best times. Senior Captain Emily Chizek, Junior Emma Frederiksen, and Sophomore Kate Gaiser each recorded season best times to complete a fine day for the bulldogs.

“We ran as a team and improved our times. We ran with tired legs since we had a great week of workouts this week. All of the 10 runners that ran for us today had PRs or a season best time. The girls really showed their toughness today. I was very proud of their efforts. We continue to improve, and we are getting stronger with each meet. Hopefully this trend will continue as the season progresses. “
