

**LIMA TOWNSHIP**  
**MASTER PLAN COMMUNITY SURVEY**

Lima Township is currently preparing a Master Plan for the community. Master planning is a community-driven process that relies on the input from residents, land owners, the business community, and other stakeholders to create meaningful policies that are a reflection of the future vision for the city.

The township has developed a survey designed to get a better understanding of that vision. As one opportunity to provide input, please consider taking the survey.

The estimated time to complete the survey is 18 minutes. It can be accessed at:  
<https://survey.sogosurvey.com/r/LimaMP>.

Paper copies of the survey are available at the Lima Township Office, 12172 Jackson Road, Dexter, MI 48130.

You may also find the survey on the Lima Township website at: [www.limatownshipmi.gov](http://www.limatownshipmi.gov).
