Summary

In the first SEC Jamboree of 2023 season, the Chelsea Boys Cross Country team competed at Indian Creek Park located in Temperance. With almost ideal weather conditions (mid 60s with no wind), our team had 12 out of 17 runners achieve personal records (PRs) or season best times. (Notably 7 out of the 12 were PRs.) We were missing two of our top varsity runners at the meet. However, we showed character by following our individual race goals in a very competitive field. Overall, the Chelsea varsity team finished 10th out of 13 teams in the SEC meet, specifically third in the White Division behind league leaders Pinckney and Adrian. Jackie Dell led the team in 40th place. Linus Helzerman ran near seconds of his lifetime best (66th place), while Wyeth Angus and Brant Maley both ran PRs placing 69th and 71st, respectively. In the varsity race, Leo Alafita ran a PR and placed in 91st place out of 122 runners. In the Reserve race, Eric Cameron led the team with a 60th place finish out of 174 runners earning a season best time. Also, Dylan Hodges, Jack Meehan, Cole Voight, and Nathan Krzysik all had PRs, while Luis Solarzano had a season best time. The coaches thought we elevated our preparation prior to running the race, which helped our focus prior to racing today. It was a good meet for the team and hopefully a confidence booster moving forward. Our varsity competes at Spartan Invitational on Friday, September 15th, in the Elite Race. We are looking forward to competing amongst a number of top level teams in the State of Michigan and Ohio.
